PROFILE

I am an ambitious **Moshal Scholar** and **QYF Alumni** doing my third year at the University of the free state, with a deep passion in machine learning, software development and Data science. I combine **data science** and **software development** theoretical knowledge with practical experience from internships. I am skilled in backend development using **C#, ASP.NET CORE MVC**, and in developing **machine learning models** using **Python and Scikit-learn**. I believe that we learn everyday therefore, I possess a mindset that is ready to learn new skills every day.

Skills

Soft Skills:

- Excellent Time management skills
- Good listening skills
- Excellent communication
- Good public speaking skills
- Proactive and innovative problem solving
- Great Team player
- Project Collaboration

Technical Skills:

- Full-stack development
- Python for data science and analysis
- C# ASP .Net Core MVC
- R programming
- AngularJS
- Html, CSS

EXPERIENCE

INTERN AT QUANTIFY YOUR FUTURE POWERED BY SAGEA

2026 JANUARY – 2026 FEBRUARY

- Acquired real-world work experience through projects with Absa, FirstRand, FNB, Nedbank and Standard Bank
- Gained hands-on exposure to data analysis including framing, exploration, interpretation, modelling and visualisation
- Strengthened key professional skills, including critical thinking, creativity, collaboration, and communication.
- Collaborated on team-based projects facilitated by leading financial institutions, applying data-driven solutions

VACATION STUDENT INTERN AT SOFTELSIE SOLUTIONS

JUNE 2025 – JULY 2025

- Developed interactive web applications using Angular and TypeScript, enhancing user experience and application scalability.
- Designed and implemented server-side logic with C# ASP.NET MVC, ensuring efficient data flow between client and server.
- Strengthened problem-solving skills and gained full-stack development experience while collaborating effectively within a team.

EDUCATION

BSC IN IT MAJORING IN DATA SCIENCE | UFS

2024 JANUARY – Present

- Currently in third year and expected to graduate in 2027 November.

NATIONAL SENIOR CERTIFICATE | DZATA SECONDARY

- Matriculated in 2023
- Consistently ranked in the Top 5 of my grades from Grade 8 to Matriculation.
